

Maximum Depth of Completed Freshwater Wells Drilled in Selected Eastern Kansas Townships

(Based on Water Well Completion Records [WWC5] Database)

B.B. Wilson and P.A. Macfarlane
Kansas Geological Survey

Index Map

The Kansas Geological Survey compiled this map using what is thought to be the most reliable information available. The Kansas Geological Survey does not guarantee freedom from errors or inaccuracies and disclaims any legal responsibility or liability for interpretations made from the map, or decisions based thereon. The Maximum Well Depth listed in each of the selected eastern Kansas townships is based on the recorded depth of completed wells as identified by drilling companies. These water-well records are stored in the Water Well Completion Records (WWC5) Database and can be viewed on-line at <http://www.kgs.ku.edu/Magellan/WaterWell/index.html>
